

# SpectraClean ProClean Transportation Cleaner

## PRODUCT

**ProClean Transportation Cleaner** is a biodegradable, liquid cleaner designed to remove road film, soil and grease from cars, trucks, buses, trailers and trains. It can be used through a pressure washer, steam cleaner, self-service car wash, automatic car wash system or a bucket and brush. It leaves no spots on glass surfaces.

## APPLICATION

Spray or foam onto cars, trucks, trailers, buses or trains. Let solution stand for 1 to 3 minutes then pressure rinse with clean water. Results are best if washing is not done in direct sunlight.

## DILUTION INFORMATION

Light Soil: 1 1/2 oz per gallon water (1:80)  
Heavy Soil: 2 1/2 oz per gallon water. (1:50)

## KEY FEATURES

- Biodegradable
- Economical and effective at low concentrations
- Use on dried road film
- Fast acting
- Excellent foaming
- Use in hot or cold water

## SPECIFICATIONS

Property	Result
Appearance	Blue
Odor	Characteristic
pH (1% Solution)	<9.0
Flash Point °F	None
Biodegradable	Yes
Solubility in water	Complete
pH (undiluted)	9
Weight	8.8 - 8.9 lbs/gal

## HEALTH & SAFETY

Based on available information, this product is not expected to produce adverse effects on health when used for the intended application and the recommendations provided in the Material Safety Data Sheet (MSDS) are followed. MSDS's are available upon request through your Customer Service Center. This product should not be used for purposes other than its intended use. When disposing of used product, take care to protect the environment. Due to continual product research and development, the information contained herein is subject to change without notification.
